MANDREL PIGS

- Heavy-Duty Carbon Steel Body
- Fully-customizable configuration of cups, discs and brushes
- For cleaning, scraping, batching, dewatering and gauging
- Aluminum or stainless steel bodies available for special applications

SPEED CONTROL PIG

- Transmitter for ease of tool tracking
- Dual odometers for accurate distance measurement to points of interest
- Data logger records pipeline slope, pressure, temperature and tool orientation
- IMU detects roll, pitch, yaw, and vibration
- Variable bypass to keep debris in suspension ahead of tool
- Pig does not skate over liquids
- Can be used to enhance chemical cleaning processes
- Can be used as a towing device
- Allows for multiple add-ons including brushes and cameras

Bi-Directional Disc Pig; ideal for pre-inspection cleaning with superior sealing and support

HZ Cleaning Pig with high seal DC cups and spring loaded brushes

Ring Brush Cleaning Pig with disc and ring brushes for excellent bi-directional cleaning

FOAM PIGS

- For use in pipelines, petrochemical, potable water and sewage systems
- Available in sizes from 2" to 60"
- Bare Foam, criss cross urethane coating, brushes and silicone carbide construction
- Dished end with a cone nose
- Available with both ends dished
- Handling rope standard on 16" and larger sizes
- Available with Cavity for Pig Tracking

Brushes available mounted on wear-compensating springs or on a ring brush in steel, stainless or Prostran

Inline's aggressive Pit Cleaning brush for maximum rust, black powder and millscale removal

Urethane and neoprene cups and discs for a wide variety of applications

FOAM DISC PIG™

- Our patented Foam Disc Pig™
- Sizes 2" to 48" and extended lengths for special application
- Available in 5 lb and 8 lb Foam
- Made from open cell polyurethane foam
- Circular grooves provide a series of wiping edges
- Multiple disc design reduces bypass
- Excellent dewatering and batching pig
- Available with Cavity for Pig Tracking
- Available with bullet nose
- Handling rope standard on 16" and larger sizes
